

## Nitin & Neha Ingle. Missionaries to Amravati, India.

### *Prayer Letter March 2025*

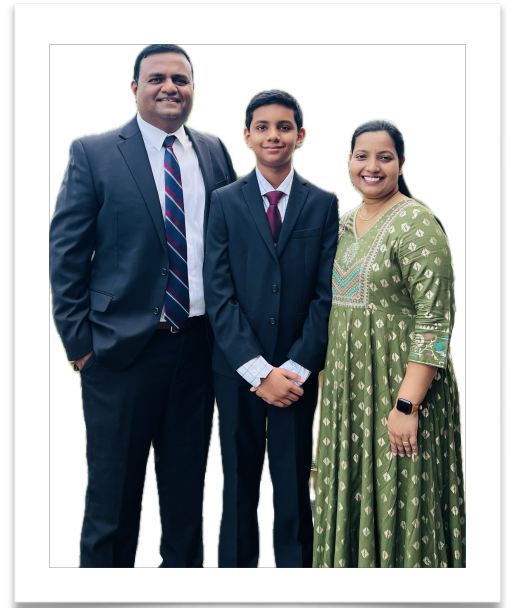

Dear Praying Partners in Christ,

*Grace be to you, and peace, from God our Father,  
and from the Lord Jesus Christ. Ephesians 1:2*

Praise the Lord to all prayer partners, and thank you for your continuous prayer and support to us. We are excited to tell you about our mission update.

The two ladies Meera and Gita, whom I have mentioned in my previous letter, got saved a few weeks ago. They are from a Hindu background and worship idols, but since they were invited to our church, they have not missed a single service, and it was the Word of God that was constantly working on their hearts. One day after the service they requested a Bible. So, while I was trying to explain to them how to read the Bible, they asked me more about sin and God's judgement. When they understood that, they were convicted, the Gospel became clear to them, and they prayed and got saved.

Last week they asked me about baptism and were also ready to throw away their idols, which they have been worshipping all their life. Thank you to everyone who prayed for them. It is definitely an answer to all your prayers. Please pray for their growth and protection as it will be very difficult for them, especially when their whole family is Hindu.

A month ago, the Lord also burdened my heart to go to the nearest railway station for witnessing, instead of going to our regular bus stop ministry. Following the Lord's leading, I went to the railway station, which is around 10 miles from Amravati. Once I was there, not knowing the reason God brought me there, I was looking for an opportunity to witness and met a girl named Lily. While talking to her, I found out that she was from a Christian background but not saved. Also, due to some personal struggles in her life, she was already broken. And that's where I realized God's purpose for bringing me to this place. I talked to her, made sure she understood her lost and sinful condition and gave her the gospel. She got saved. Lily was rejoicing in tears the moment she got saved. This is a wonderful testimony of God's providence in our life.

As a result, God also showed me a new place, the Badnera train station, for witnessing. And I also found out that the trains coming to this station are interstate trains with most speaking Hindi, and only a few that know Marathi. God helped me translate our gospel tracts into the Hindi language and I got the first batch of 4000 Hindi gospel tracts already printed and ready to share. Please pray specifically for this ministry as the gospel tracts given on these trains can reach any part of the country. The trains coming to this station are from every corner of India - East, West, North and South.

Last month I also visited our faithful men at Pune who have been saved and baptized and who watch every service online. It was a joy to have fellowship with them and encourage them in the Lord. All their earnings come from their small breakfast and juice selling business. Please pray that their shops stay protected from the local arrogant crowd, which often try to trouble them and threaten them. Out of all these men, Ashok is growing much and he is very faithful to the Lord. Please consider the following prayer from him. Pray for his wife to get saved, as she is Hindu. I talked to her and gave her the gospel, but it will take some time for her to understand. Pray for his children's salvation and a good education as well. Pray for protection for his business and a good earning. I have attached Ashok's family photo from my visit.

### **Quick Update and Prayer needs.**

**Village ministry** - We had three village services since the beginning of this year, it was a wonderful opportunity to share the Gospel.

Our **Bus Stop Ministry** and **Hospital ministry** are doing well. Please pray for the salvation for all those to whom we witnessed and gave the Bible and gospel tracts. As an appreciation for their duties, we gave gift bags to around 40 bus drivers and officials at the Bus stop. Along with gifts and chocolates, we added a Bible and a Gospel tract to their bags. They were very surprised and excited to receive it.

**Children Ministry** - We have around 15 kids coming regularly. Please pray for their protection, understanding of God's Word, and especially for their salvation.

At **Amravati Baptist Church**, our church members are growing in the Lord. We have another new lady Rupali coming to our church. She is Buddhist. Pray that she continues to attend our church and gets saved.

**Family Update** : Thank you to everyone who sent their wishes on our 14th wedding anniversary. Please pray for my wife **Neha's** allergies. It seems that only when she is on medication, she gets relief, or the allergies comeback. She spent many sleepless nights last month.

**Yohan's** 7th grade final tests will be this month. After guitar he also started learning violin. I also take him to the bus stops to give out the gospel tracts with me. He was initially nervous but was able to give out many gospel tracts. Please continue to pray for him to grow in the Lord. Amen.

Thank you for all your prayer, support, and encouragement toward us.  
May God bless you all.

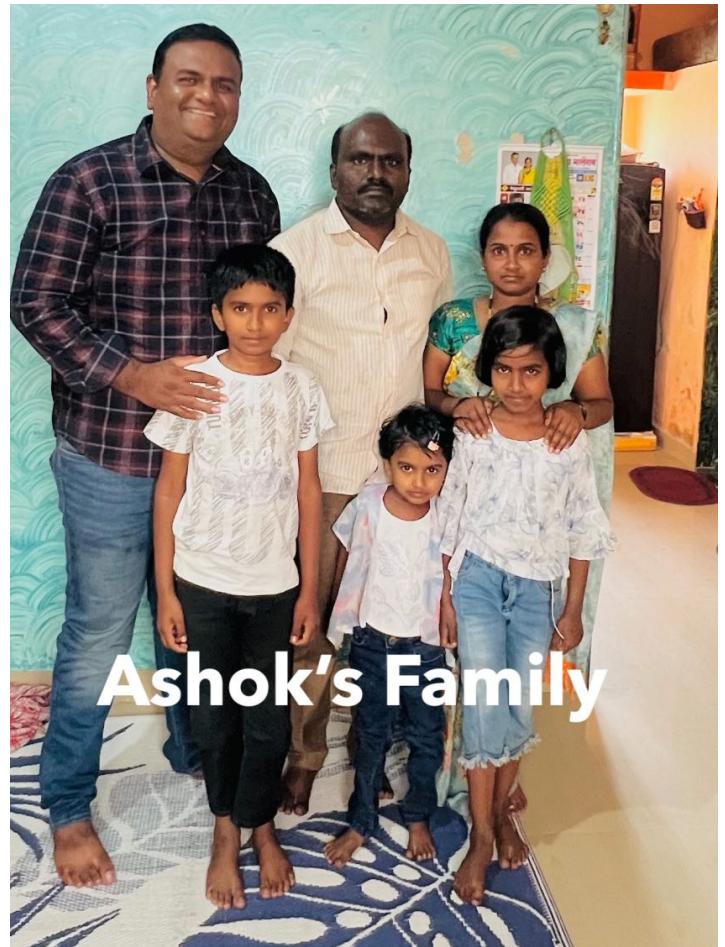

**To Amravati with the Gospel** - Nitin, Neha and Yohan Ingle.
